

## Graduating Class of 2020

**Directions:** In addition to the work completed up to this point on Career Cruising, it is your responsibility to complete the following tasks via the Senior Project Survey link on the Carbondale Area website under the Student Forms by MAY 20, 2020. *This form is being provided so you may prepare your responses before proceeding to the Survey itself. The survey will need to be completed in one session; you will not be able to save it and return to it.*

**Task 1:** Provide a summary of your career goal and outline the process you will need to undertake to attain or achieve this goal. Be sure to include any post-secondary education, training, etc., you will pursue [i.e. if you are enrolling in a post-secondary institution in the fall, identify where you will be attending and your major or program; if you are entering the military, list the branch of service; if you will be employed full-time, list your employer if you have a job secured or where you are interested in obtaining employment].
