Principal

## **CARBONDALE AREA JR.-SR. HIGH SCHOOL** *Summer Reading Program*

The Carbondale Area Jr.-Sr. High School Summer Reading Program requires that students read assigned books during the summer to prepare for their application in Reading classes (Grades 7-8) and English classes (Grades 9-12) next year. An initial test will be followed by discussion and additional assessment activities in subsequent classes. These grades will be averaged into each student's Reading (Grades 7-8) or English (Grades 9-12) grade for the first marking period.

To prepare most effectively for the Summer Reading Test and for additional class discussion and assessment activities, it is recommended that students keep a journal of notes on each chapter of the book to focus attention during reading and to generate a study aid for assessments next year.
