

## United Neighborhood Centers of NEPA Mission:

To work together with neighbors to provide services and create opportunities which empower individuals and build strong interdependent communities. To address emerging social needs and be an innovated leader in building strong interdependent communities based upon our traditional commitment of partnering with individuals, families and neighborhoods.

## LIT Mission:

LIT participants will be able to solve problems constructively, improve communication and relationship skills, as well as set and achieve goals. Through specialized activities that build self-esteem and cooperation, students will become critical thinkers who are aware of social and cultural differences in their communities and seek to change things for the better.

## Field Trips

During the Leaders in Training (LIT) program, students will have the chance to go on many fun and educational field trips throughout the year.

## Service Trips

Also during the Leaders in Training (LIT) program, students will have the chance to give back to their communities by volunteering their time to help others in need.

## Personal Action Plan

Through LIT, youth have the opportunity to examine and determine their personal short- and long-term goals and are guided through the process of creating a personal action plan.

## Academic Goals

Along with determining personal goals, members of LIT create academic goals that they want to see completed by the end of the program.

## Team Goals

As a group, participants come up with goals that they want to be completed by the end of the year. These goals are determined by the group and are only successful with the entire group on the same page.

## Topics Discussed

- ◇ Setting goals and following through
- ◇ Healthy decision making & problem solving
- ◇ Effective communication
- ◇ Cultural diversity awareness
- ◇ Anger management & conflict resolution
- ◇ Relationship building & support groups
- ◇ Finance management
  - ◇ Career paths
  - ◇ College preparation

# Leaders In Training

## Program Description

Leaders In Training (LIT) - A unique leadership program designed for high school students to empower

and provide the tools, connections, and motivation needed to guide them through a process of exploring

and identifying the five dimensions of leadership development. The LIT program also provides the ability to meet

individually or as a group with the LIT Coordinator to assist with the development of service learning

projects, thematic field trips, as well as contribute to the overall success of the program.

Welcoming 9th, 10th, 11th, and 12th Grade.
