Dear Caregivers & Parents,

Your student at Carbondale Area High School will have the opportunity to celebrate their success and achievements with a custom Class Ring.

Receiving a class ring is a tradition for many families. I, Robert Manganello, make this experience a memorable and affordable one. Down payments start at \$60 and we will provide you with a four-part payment plan.

Orders & ring sizing will be taken on Tuesday, May 18th from 3-5pm outside of the main office. Order your class ring in school or online before June 1st and receive a FREE class hoodie or cap & gown for your senior year.

Design your ring at www.highschool.herffjones.com, print it out, and bring it to school on order day. Download our ring sizing app by texting Size to 70934, come get your finger sized on the 18th, or contact me and I will mail you a ring sizer.

Please contact me if you have questions.

Robert Manganello
