**IN-PERSON ONLY  
20-PERSON LIMIT**

**PRICE: \$150**

**DATES/TIMES: 7/19 – 7/23 – 10am – 2pm  
lunch provided**

This **high school student** camp serves as an introduction to the world of esports. Participants will experiment with several parts of a production: casting, observing, producing, running lobbies, compiling Twitch clips, editing live streams, gameplay, and more. This camp will involve project time with the esports program's student athletes, teams, and facilities. Participants will learn to use OBS with integrations to Twitch, Skype, OBS Ninja, gameplay, and more.

1. Explain the different roles of an esports production and how they collaborate to form one cohesive broadcast team.
2. Identify the areas on Twitch.TV, from the viewer side, moderator side, and production side that need to be coordinated for any production.
3. Properly implement each role and piece of the process to produce a provided streamed match.

**For more information and to register please contact:**

**TEDDY DELANEY at  
(570) 574-0437  
delaney@lackawanna.edu**

or

**STEPHANIE WILLIAMS at  
570-876-9209  
swilliams@iu19.org**

Proceeds help support the Lackawanna College esports program.
