Dear Chargers and Chargerettes:

It is with great pride and excitement that I write to you as the newly appointed Acting Principal of Carbondale Area Jr./Sr. High School for the 2021-2022 school year.

The Carbondale Area School District and Carbondale Area High School has always been an integral part of my life. As a proud member of the graduating class of 2000, a former faculty member, coach, athletic director, and now administrator, I have been blessed to witness the amazing things that happen in our school district on a daily basis.

For the past 14 years, I have been a member of our elementary team. I've worked as a self-contained classroom teacher in 5th and 6th grades, as well as the computer lab teacher. Last spring, I had the opportunity to work as an administrative intern, as Teacher on Assignment. I hold a bachelor's degree in Elementary Education from Marywood University. In addition, I hold a master's degree in Educational Leadership from Delaware Valley University. Furthermore, I am currently working toward my Superintendent's Letter of Eligibility, where I'm a Doctoral candidate in Delaware Valley University's program.

I am grateful for the opportunity to work with an outstanding faculty, support staff, and administration to provide a memorable high school experience for all our students. If I can ever be of service to you or your family, please don't hesitate to contact our high school office at your earliest convenience.

Respectfully,

Lawrence A. Gabriel III
