Presented by PHEAA: “Searching for Scholarships and Affording the Balance”

There are many ways to pay for education, and one important step is to search and apply for Scholarships. More free money equals less borrowing. This presentation will review the types of options available, along with tips on applying. It will also offer samples of fun scholarship options to get you started. We'll then review what to do about the balances that might be left over in order to make affordable higher education decisions. Join Linda Pacewicz and Daniel Wray from Pennsylvania Higher Education Assistance Agency (PHEAA) for an hour of detailed information on this topic.
