

ARE YOU THE NEXT YOUTH HEART AMBASSADOR?

The 2023-24 class of **Youth Heart Ambassadors** are the face and voice of the **American Heart Associations'** in-school initiatives, assisting the organization to be a relentless force for healthier lives for all.

Who can apply? Applicants ages 2-19 years old who are willing to share their story about the impact of heart disease or stroke either through a personal diagnosis, supporting a loved one, or are passionate about a heart healthy lifestyle.

How to apply? Complete an [application](#) by March 15, 2023. Submit a 1-2 minute video story and a media release signed by a parent or guardian. Learn more at heart.org/YouthAmbassador.

Opportunities: Youth Heart Ambassadors may be asked to share their story in emails and newsletters, social media posts, participate in exciting events that may include speaking opportunities and interviews, and other digital and/or print marketing materials.

SUBMIT YOUR APPLICATION BY MARCH 15, 2023 [HEART.ORG/YOUTHAMBASSADOR](https://heart.org/YouthAmbassador)
