## *Important Information for People with Disabilities and Their Families*

In April, Pennsylvania Treasurer Joe Torsella announced that the Pennsylvania ABLE Savings Program (PA ABLE) is open for enrollment. This new program helps people with disabilities and their families have greater control of their finances and the ability to plan for a more financially secure future.

Saving with a PA ABLE account helps people to save for a wide range of disability-related expenses without jeopardizing government benefits. Plus, savings benefit from several great tax advantages, including tax-free growth when used for a wide range of qualified disability expenses.
